

**In the Drawings:**

New drawings are being proposed with this amendment.

**Remarks**

This amendment is necessary to provide a new drawing. Even though the Examiner in the Notice of Allowability dated 11/17/2004, stated "[t]he drawings filed on 06 June 2001 are accepted by the Examiner," the applicant desires to provide a higher quality drawing figure. Please note that the substance of the drawing has not changed.

In view of the above, it is submitted that the claims remain in condition for allowance.

Respectfully submitted,
